Dogs:

Any guest's dog(s) arriving at Fisherwaters must be approved prior to your arrival, as your stay must be booked in a pet friendly cabin. Cabins 1,3 & 6 are "dog friendly" and we do not allow pets in cabins 2,4 and 5. Please no more than two dogs per cabin.

Our insurance company has banned the following dog breeds:

- Pitt Bull/Pitt Mix/Staffordshire Terrier
- Rottweiler
- Chow
- Wolf hybrid
- Cane Corso

Fisherwaters does not tolerate any mistreatment of animals on our grounds. Please make sure that your pet has clean water, food and shade. Animals are never to be left unattended outside.

Please clean up pet waste so other guests may enjoy a clean environment.

YOU KNOW YOUR PET...so please use good judgment before bringing it with you on your lake vacation:

Dog owners should maintain reasonable control of their pet at all times. If your dog is aggressive toward other guests or if your dog disrupts the quiet enjoyment of others by excessive barking, whining or other undesirable or destructive behavior, the owner will be asked to remove the dog.

Septic:

Fisherwaters Resort is functioning on a very old septic system. Replacement of such a system would be very costly so keeping it in good working order is critical! Therefore ONLY TOILET PAPER should be flushed. NOTHING ELSE may be flushed other than natural waste and toilet paper. No facial tissues, paper towels, personal wipes, baby wipes, cotton balls, Q-tips, feminine products, birth control, cigarette butts, dental floss or other foreign items should be flushed. Flushing anything other than toilet paper into the septic tanks may cause malfunction which results in an undesirable situation for all guests. "BIODEGRADABLE" DOES NOT MEAN SEPTIC SAFE!!!!

Sofa Sleepers:

Fisherwaters does not guarantee the comfort of any of its sofa sleepers. Several of the sleepers are brand new. Mattresses have been replaced on the older ones.

Theft & Damages to Personal Property:

Please keep your cabins locked when you are away from the property and keep your personal property safely stored. Fisherwaters is not responsible for theft or damage to any personal property including but not limited to automobiles, boats, boat trailers, PWC or any other personal property on the grounds or in the cabins.

Damages to or theft from Fisherwaters property:

Please read attached "Vacation Rental Agreement"

Upon Departure:

BE SURE TO READ THE CHECKOUT CHECKLIST IN THE CABIN MANUAL!

Please make sure your cabin is in good condition upon your departure. The cleaning staff will come in after you leave to change towels and linens and get the cabin back in perfect condition for the next guest. However, anything that goes beyond "usual and reasonable" effort to do so will result in your account being charged fees in addition to the standard cleaning fee upon departure. Examples of cleaning that goes beyond "usual and reasonable" efforts would include dirty dishes, pet waste, stains or filth left on upholstered furnishings, excessive wear and tear on any component of your cabin that creates additional difficulty or additional cost in turning the cabin for the next guest. Please use common sense and take good care of your cabin and you should be good to go!

GROUNDS AND COMMON AREA:**Natural rock formations and stairways:**

The natural rock formations and hand built stairways on the property are part of what makes Fisherwaters a unique and beautiful place. Please take extreme caution when moving about the property, as nothing is "standard" in measurement like you may be used to around your own home. Please do not disturb rocks, remove or move rocks for any reason.

Quiet hours:

Please respect all visitors and observe quiet hours between the hours of 11:00pm and 8:00am daily. Reasonable judgment should also be used at all times, even during "non-quiet

hours” to keep Fisherwaters a peaceful environment for guests. Any guest that is being excessively disruptive will be asked to leave and will not be refunded.

Trash:

Any garbage needs to be immediately thrown out in one of the provided trash dumpsters at the top of the hill to avoid unwanted bugs, rodents or other curious visitors. Please do not temporarily “store” trash on the front porches of cabins.

BBO grills:

Each cabin is equipped with a Weber grill. Please do NOT grill on attached decking or on the docks. Fisherwaters does not provide charcoal or lighter fluid.

Campfires:

Please keep campfires confined to the fire pits.

Trees/Shrubs/Flowers:

Please do not pick or cut any vegetation from the grounds for any purpose. Any fallen branches or driftwood washed on shore from the lakefront is fair game if you’re looking for firewood.

Docks & swimming:

CAUTION FOR SWIMMERS: DO NOT dive or jump off of the boat or fishing docks on either of the far ends. You will observe steel cranks on each end of the dock, which anchor large cables below the surface of the water to help keep the dock stable during rough waters. Diving or jumping in these areas could cause serious injury.

Towels provided in the cabins should not be taken to the dock. You will need to provide your own beach towels.

There is no lifeguard on duty at anytime. Parents, you are responsible for the safety of your children and should be aware of all laws pertaining life jackets and swimming/boating safety in the state of Missouri.

No swimming during storms and no swimming at night.

Picnic tables:

Picnic tables are there for public use. Please keep them clean for the next guest.
